

NEW! STI-CO® Sun Shade Antenna *

Stealthy & Seamless Connectivity For All-Band Radios

- Undetectable Covert Solution - Maintain a stealthy look for any vehicle
- Effortless Installation - Quick & easy installation process
- All-Band Capability: Built for VHF, UHF, 7-800, FirstNet
- Omni-directional performance
- Proudly designed & manufactured in the U.S.A.
Every STI-CO® antenna is backed by our 5 year warranty

MODEL NUMBER	SSHD-TB-V/U/C
Frequency Range (MHz)	150-174 / 400-512 / 600-896
Bandwidth (MHz)	24 / 112 / 296
Power Rating	100
VSWR (typical)	2:1
Polarization	Linear
Radiation Pattern	Omnidirectional
Input Impedance (ohms)	50
Overall Height (IN)	11.5
Overall Diameter (IN)	14.5
Weight (Ounces)	48
Connection w/ Cable	SMA Female/ Customer Request
Temperature Rating (Fahrenheit)	-40 to + 185

Patent Pending*
